SUBJECT: LITHUANIA LIKELY TO SEND HEALTH MINISTER TO API
CONFERENCE IN EGYPT

REF: STATE 92335

Audrius Sceponavicius, director of the MoH's Public Health Department and coordinator of the GOL's inter-ministerial working group on pandemic influenza, told us on September 3 that the Minister of Health, Gediminas Cerniauskas, is likely to head the GOL's delegation to the Avian and Pandemic Influenza (API) conference in Egypt October 25-26. If the Minister's schedule does not allow him to participate, the delegation will be led by the Vice Minister, Algirdas Seselgis.
